### LETTER OF RECOMMENDATION

To Whom it may concern,

It is my pleasure to strongly recommend **Vishal Srivastava**.

I am Umang Sharma, member trustee. I have 5 years of experience working and Leading many professionals and have seen many young professionals come and go. Vishal Srivastava is one individual I have worked with who uniquely stands out.

During our time together, Vishal Srivastava displayed great talents in development and was very active in his tasks and curious to learn new things. When we first met, I was immediately impressed with Vishal Srivastava but during the time we worked together, his understanding of Web Development grew far more than that of his peers.

It's not just his technical skills that impress me, however. Vishal Srivastava was a joy to work with because of his amazingly positive attitude and enthusiasm. His enthusiasm and time management were also necessary and valued not just by myself, but by his peers, who often relied on him to get the job done.

I am absolutely confident that Vishal Srivastava would be a great fit for your Organisation. Not only will he bring the kind of skills and experiences you're looking for in an applicant, but he will also quickly become an asset and help your Organisation grow in any way he can.

If you need more information or specific examples, please do not hesitate to contact me at [umang.sharma@prabhat.org.in](mailto:umang.sharma@prabhat.org.in). As a recommendation letter likely only provides a snapshot of his talents and achievements, I would be happy to further elaborate on my time working with him.

Sincerely

Mr. Umang Sharma, Member Trustee.
